Track 4 –Licensed Day Camps¹

Programs not in regulatory compliance will not be able to earn points in YoungStar until coming into compliance with licensing or certification.

It is imperative that Wisconsin improve the quality of day camp programs. YoungStar assists Wisconsin licensed day camp programs to improve their quality leading to a critically important result of improving outcomes for children. YoungStar is based on research and other states' experiences to establish criteria that are: research-based, objective, and verifiable on a regular basis.

This document describes the categories for earning points in YoungStar. Each program can earn up to thirty six points across four categories – education, learning environment and curriculum; professional and business practices; and health and wellness. In general, when the word “staff” is used, it means Counselors and the Camp Directors/Coordinators/Directors/Administrators. There are required points in each of the categories as well as additional optional points programs may accumulate.

The following chart shows the overall categories and the points possible in each.

Category for Earning Points	Possible Points
Counselor Qualifications	0-6
Camp Director/Coordinator/Director/Administrator Qualifications	0-9
Learning Environment and Curriculum	0-9
Business and Professional Practices	0-7
Health and Wellness	0-5
Total	0-36 points

¹ Track 4 is used to rate Licensed Day Camps that have children enrolled 14 weeks or fewer per year. Licensed Day Camps that have children enrolled for more than 14 weeks are rated using Track 3 (School-Age).

Accreditation: Alternative Path to Four or Five Stars

YoungStar offers an alternate path to a 4 Star or 5 Star rating for accredited licensed day camp programs. Accreditation by the City of Madison is accepted as equivalent to a 5 Star rating.

*Accreditation by the American Camp Association (ACA) is equivalent to a 4 Star rating.

**When the program meets the educational requirements for a 5 Star program in the Licensed Day Camp rating track (as outlined on pages 4 of this document), the program will receive a 5 Star rating.

The rationale for accepting this accreditation as equivalent to 4 Star or 5 Star ratings is that the standards used in this accreditation is nationally recognized as linked to quality and each accreditation requires observations and verification of similar characteristics laid out in YoungStar.

A) Education and Training of Staff (Maximum Points = 15)

Staff education is considered one of the most [consistent predictors of quality in afterschool and camp programs](#). Staff education qualifications are entered into a Program Profile within The Wisconsin Registry. [The Registry](#) is Wisconsin's Recognition System for the Childhood Care and Education Profession. The Registry verifies educational qualifications using credit-based instruction transcripts. All training is quantified by core knowledge areas as defined by the National Association for the Education of Young Children (NAEYC) or Child Development Associate (CDA) content areas as defined by the Council for Professional Recognition. The Registry awards a certificate verifying that entry level and continuing education requirements defined by the Department of Children and Families have been met.

Definitions

Lead Day Camp Counselor/Lead Group Leader: Lead Counselor/Group Leader has responsibilities that include supervision and guidance of a group of children in the program under the direction of a Camp Director/Coordinator/Director/ Administrator. Lead Group Leader/Counselor will assist in daily planning and implementing of activities, communication with families, and relations with the community.

Camp Director/Coordinator/Director/Administrator: [Research](#) has demonstrated the critical role of the Camp Director/Coordinator in all day camps. They are responsible for the recruitment, hiring, and guidance of counselors and – when necessary – for firing or dismissal of staff. Research shows that programs with well-qualified Camp Directors/Coordinators/Directors/Administrators demonstrate higher quality. This category recognizes a variety of ways to earn points by meeting higher levels of Camp Director/Coordinator qualifications.

When a program has more than one individual listed in their Program Profile for a group, the training (but not the education) of either individual will be counted when awarding YoungStar points for the following indicators: Wisconsin Model Early Learning Standards Training (B.2.1), Social Emotional/WI Pyramid Model/Inclusion Training (D.1.3), and Strengthening Families/Darkness to Light Training (D.1.4).

To be qualified to be listed in the Program Profile, the individual needs to be in the assigned group for at least 50% of the time that the group is open (up to 40 hours per week). The individual could be listed as any of the following in the Program Profile: Day Camp Counselor. The educational level of these individuals that are listed as something other than the Lead Day Camp Counselor will not be counted for component A of YoungStar points. The method of awarding points for the education of the Lead Counselor will remain the same.

For example, if the Counselor in the group has taken the Wisconsin Model Early Learning Standards (WMELS) but the Lead Counselor has not, the program would be given credit for that group having met the requirement for WMELS training.

Full-time vs. Part-time

YoungStar recognizes that some licensed day camp programs have different operating schedules based on the time of year. For all of the measures within this document, the quantities shall be pro-rated based upon the average number of hours per day or per week a program is open using a definition of full-time as an 8 hour day

and a 40 hour week. For example, if a quality indicator asks a program to provide 60 minutes of physical activity per day, the part-time program operating 4 hours per day would be asked to provide 30 minutes of physical activity. If the operating hours vary during the week, a Technical Consultant will use the average number of hours per day to award points for items like this.

Staffing of Licensed Day Camps: A person can only be associated in The Registry's Program Profile with one program at a time. This means a person who has responsibilities for more than one program must choose on Program Profile with which to be affiliated. Every group that is open at least 25% of the time (up to 40 hours) that the program accepts children must be listed on the Program Profile. For YoungStar Contracts received in 2016, the following rules will apply in regard to staffing of Track 4 programs:

1. For the purposes of YoungStar, the maximum ratios of staff to children and the size of a "group" will be based upon licensing rules governing these areas. See Appendix for this information.
2. In this document, Camp Director/Coordinator/Director/Administrator has been shortened to "Camp Director" in some instances. If the word "Director" is written, it refers to the person serving in any of the Camp Director/Coordinator/Director/Administrator positions.
3. For YoungStar,² the person who is designated in The Registry Program Profile as the Camp Director shall be on-site for at least 50% of the total number of hours per week the program is open and shall have the following responsibilities:
 1. Supervision of the planning and implementation of the programming for children
 2. Supervision of the staff at the site
 3. Staff meetings and orientation
 4. Continuing education for the staff
4. For the purposes of YoungStar, the definition of a full-time employee is a Counselor/Group Leader or Camp Director who works an average of 40 hours per week at least 6 months of the year. So, if the program is open for 10 weeks (one sixth) of the year and the program wants to earn credit for the Quality Indicator C.4.3 which requires 18 paid days off per year for full-time staff, the program would have to demonstrate that they give full-time staff 3 days off per year.
5. The person serving as the Camp Director may step in to help out with Counselor/Group Leader responsibilities if a staff member is ill, during staff break/meal times, when special programming or activities require more adults to be in the room or for emergencies.
6. The person serving as the Lead Teacher or Lead Group Leader will be designated as follows:
 1. The person who is teaching for the greatest number of hours between the hours of 6 AM and 6 PM in a given classroom should be listed as the Lead Teacher or Lead Group Leader on the Registry Program Profile.
 2. If two or more people work an equal number of hours between the hours of 6 AM and 6 PM, either person can be listed as the Lead Teacher or Lead Group Leader on the Registry Program Profile.
 3. To calculate the number of hours a staff person works, only hours between 6 AM and 6 PM will count.

Verification of Staff: Before approving a rating, the Technical Consultant will visit each classroom or group at least once and must see the person who is listed as the Lead Teacher or Group Leader in the Program Profile teaching in that classroom or group. If a Technical Consultant does not see each Lead Teacher/Lead Group Leader in the classroom/group in which they are listed in the Registry Program Profile, a Technical Rating will not be completed until the information can be verified. Further proof may be required in the form of time sheets or pay stubs. (Maintaining Your Registry Profile Policy, Updated 1/1/2016.)

Exceptions—The following exceptions to rule 3 will be allowed:

- **Centralized administration (for programs with multiple sites):** If the program is administrated outside the site, the program may ask for an exception to the typical YoungStar staffing

² Licensing requirements regarding the role of the Director are different from YoungStar and can be found here: <https://dcf.wisconsin.gov/cclicensing/rules>. Licensing is meant to be a base level for health and safety and YoungStar is meant to be a step higher toward quality. So, while a program may be following licensing requirements for the role of a director, the requirements outlined in this document will be used for YoungStar.

requirements. Responsibilities 1 and 2 (listed above) must be performed by a person who is on-site at the site for at least 25% of their working hours. Responsibilities 3 and 4 may be performed by a person or persons who are located off-site. In these cases, the program has two options in regard to the Program Profile:

- Option 1: List a person from the administrative office who is responsible for 3 and/or 4 as the Camp Director.
- Option 2: List the person who is on-site performing responsibilities 1 and 2 as the Camp Director. **If the program wants to choose this option and the person listed as the Camp Director is also a Counselor/Group Leader, the rules for Dual-Role (below) must be followed.**
- **Dual-role:** For YoungStar ratings, day camp programs licensed for 50 or fewer children may, in the following limited circumstances, have a Camp Director who also serves as a Counselor/Group Leader:
 - To be eligible to earn 3 Stars: The person in the dual-role has 25% of the time the program is open³ devoted to the responsibilities of the Camp Director **AND** child to staff ratios must follow licensing requirements for licensed day camps. The dual-role Camp Director must also meet the educational qualifications for a 3 Star rating. For example, if the program is open 40 hours per week, the person in the dual-role would have to be in the Director role for 10 hours per week.

Verification of the exceptions to rule 3: To verify this indicator, the program will be asked to provide schedules, pay stubs, timesheets, job descriptions, employee handbooks and/or employment policy and procedure documentation.

In the following two charts for Counselors/Group Leaders and Camp Director/Coordinator/Director/Administrators, points are not cumulative. For each staff qualification chart, a program receives credit for the highest level achieved looking at the Counselors/Group Leaders combined education and the Camp Director/Coordinator/Director/Administrator's education. If a Camp Director or Counselor's/Group Leader's Registry Level falls in between two point levels, they will be awarded the points for the lower of the two levels. For example, if Counselors/Group Leaders for 100% of the classrooms are at Registry Level 8, the program would receive 3 points because the Registry Levels are higher than the requirement at the 3 point level but they did not meet the requirement at the 4 point level. Additionally, for example, if a Camp Director is at Registry Level 10 but did not have the additional 6 credits in supervision/personnel management, the program would receive 2 points because the Registry Level is higher than the requirement at the 2 point level but did not meet the requirement at the 3 point level.

Note: Any time an Associate's degree is referenced in this document, 60 credits beyond high school is accepted as equivalent to the Associate's degree.

Verification for qualifications is through The Registry. <http://www.the-registry.org/>

Professional Development Opportunities for Credit Based Instruction:

For those interested in taking credit based college coursework in school-age education, the most up-to-date information on options available – including both traditional and non-traditional routes (including online, weekend and evening courses, and accelerated programs) – is by contacting the institution of higher education directly. Another option is to contact a Professional Development counselor at Wisconsin Early Childhood Association: phone 1-800-783-9322, ext. 7240 or email teach@wisconsinearlychildhood.org.

To assist you, the WECA website, <http://www.wisconsinearlychildhood.org/teach/index.php> has a link at this site (Wisconsin Colleges and Universities) will take you to a map of all Wisconsin institutions of higher education; simply click on a college or university to access their website and contact information.

Professional Development Counseling Support opportunities are available through the Wisconsin Early Childhood Association. Information is available at:
<http://wisconsinearlychildhood.org/programs/youngstar/PDcounseling/>

Credit for Prior Learning and Experience:

Institutions of Higher Education may offer credit for prior learning and award degree credit(s) to individuals who can demonstrate relevant skills and knowledge that they have previously acquired through non-traditional schooling, work or other life experiences. Credit for Prior Learning (CPL) can help child care teachers and child care providers ease into the higher education system. In Wisconsin, each college has its own process of evaluation established. The process requires the teacher/provider to document relevant experiences. Examples include: Training completion certificates, portfolio development that reflects work experiences and transcripts if available.
