Short-Term Operational Program Evaluation Criteria

Anniversary Date of the Program: ____________

Name of Program: __________________________________________________________________________

Name of Director: __________________________________________________________________________

Provider Number: __________________ Location Number: _______

Name of Technical Consultant: __________________________________________________________________

Name of Rater (if applicable): _____________________________________________________________________

2019/2020

*NOTE: Important YoungStar Changes For 2019/2020

1. The REQUIRED items have been moved to the front of the document followed by the OPTIONAL items.

2. Registry Level 6 has been added to the Educational Qualifications Component for Group, Day Camp and School-Age.

3. A Companion Guidance Document has been created for additional information.

1 Short-Term Operational Programs are considered operational for 14 consecutive weeks or fewer. This could include Group Child Care, Licensed Day Camps, School-Age. Family Child Care is not included in Short-Term Operational Programs.

Verification Sheet for Rating Short-Term Operational Programs .......... 49
YoungStar Evaluation Criteria

Short-Term Operational Programs

This document outlines the items that will be evaluated for YoungStar and can be used by program staff to prepare for a YoungStar rating. More information can be found in the YoungStar Frequently Asked Questions document, available here: https://dcf.wisconsin.gov/youngstar/providers/faqs and the YoungStar Policy Guide, available here: https://dcf.wisconsin.gov/youngstar/providers/policy

The components that will be evaluated are listed below.

A. Education and Trainings of Counselors/Teachers/Group Leaders and Director/Site Supervisor/Coordinator/Administrator
B. Learning Environment and Curriculum
C. Business and Professional Practices
D. Health and Well-being

A. Education and Training of Lead Staff (Counselors/Teachers/Group Leaders) and Director/Site Supervisor

The program will receive credit for the highest education level attained in each table.

For YoungStar, Registry Level 6, a 3 – credit course must be from one of the following:

- Child Development Course
- Health Safety and Nutrition Course
- Foundations of Early Childhood Course
- Infant/Toddler Development Course
- Child Psychology Course

OR a course from the one of the following credentials:

- Family Child Care Credential,
- Infant/Toddler credential,
- Preschool Credential, or
- Afterschool and Youth Development Credential

Important Note: the information below does not reflect requirements for licensing. The individual serving in a position must minimally meet licensing requirements for that position.

A.1 Lead Staff (Counselor/Group Leader/Teacher) Qualifications

<table>
<thead>
<tr>
<th>Quality Indicators – Lead Staff Qualifications</th>
<th>Points Awarded</th>
</tr>
</thead>
<tbody>
<tr>
<td>Lead Staff with Registry Level 7 or higher for 25% of all groups and Lead Staff with Registry Level 6 or higher for an additional 25% of all groups. – Required for 3 Stars</td>

</tr>
</tbody>
</table>

QUALITY INDICATOR

A.2 Director/Coordinator/Administrator/Site Supervisor Qualifications

Role of the Director

For 3 and 4 Star programs ONLY

YoungStar Consultants/Raters will confirm that programs who utilize a dual-role Director or centralized administration are meeting the requirements of this exception through any of the following means: the program’s budget, job descriptions, timesheets, pay stubs or schedule. The dual-role Director must also meet the educational qualifications for a 3 or 4 Star rating to receive those respective ratings.

Programs that do not have a Director serving in a dual-role or through a centralized administrative structure should disregard this indicator. Programs with a dual-role Director cannot earn 5 Star ratings. Programs licensed for more than 50 children cannot have a Director listed as both the Director and a Lead Staff (Counselors/Teachers/Group Leaders) in the Program Profile.

A.2 Role of the Director

Program has a:
- [ ] Director that is full-time
- [ ] Dual-Role Director
- [ ] Centralized Administrative Structure

<table>
<thead>
<tr>
<th>Dual-Role</th>
</tr>
</thead>
<tbody>
<tr>
<td>[ ] To earn 3 Stars: The person in the dual-role has 25% of the time the program is open devoted to the responsibilities of the Director <strong>AND</strong> child to staff ratios must follow licensing requirements for licensed group centers. The dual-role Director must also meet the educational qualifications for a 3 Star rating.</td>
</tr>
<tr>
<td>[ ] To earn 4 Stars: The person in the dual-role has 37.5% of the time the program is open devoted to the responsibilities of the Director <strong>AND</strong> child to staff ratios must follow licensing requirements for licensed group centers. The dual-role Director must also meet the educational qualifications for a 4 Star rating.</td>
</tr>
</tbody>
</table>

How was the dual-role status verified?
- [ ] Budget
- [ ] Job description
- [ ] Timesheet/schedule
- [ ] Pay stubs

---

<sup>3</sup> If a Site Supervisor/Coordinator/Director/Administrator has a Registry Level higher than what is required for a 3 Star rating the individual does not need to have 6 credits in supervision/personnel or financial management.

<sup>4</sup> Administrator’s credential includes 6 credits in supervision and personnel management and would thus be acceptable to meet the 3 Star requirements for the Director.

<sup>5</sup> Registry Level 11 or higher without 6 credits meets this requirement as well.

<sup>6</sup> Registry Level 12 or higher without 6 credits meets this requirement as well.
Notes on verification of dual-role:

---

**Centralized Administration**
Responsibilities 1 and 2 (listed below) must be performed by a person who is on-site at the center/site for at least 25% of their working hours. Responsibilities 3 and 4 may be performed by a person or persons who are located off-site.

**Responsibilities**
1. Supervision of the planning and implementation of the programming for children
2. Supervision of the staff at the program
3. Staff meetings and orientation
4. Continuing education for the staff

In these cases, the program has two options:
- **Option 1**: List a person from the administrative office who is responsible for 3 and 4 as the Camp Director.
- **Option 2**: List the person who is on-site performing responsibilities 1 and 2 (listed above) as the Camp Director. If the program wants to choose this option and the person listed as the Director is also a Lead Staff (Counselors/Teachers/Group Leaders), the rules for Dual-Role must be followed.

**With either option, the program must demonstrate sufficient staffing to cover all of the following:**
Who supervises the planning and implementation of the programming for children?

<table>
<thead>
<tr>
<th>Verified through any of the following:</th>

Comments/areas for future work on additional work on Director with dual-role:
# B. Learning Environment and Curriculum

## Learning Environment and Curriculum: REQUIRED Points

### QUALITY INDICATOR

#### B.1.1 - 2 Self-Assessment and Quality Improvement Plan

**Required for 3, 4, and 5 Stars**

**POINTS AVAILABLE: 0**

Program has documented annual use of a self-assessment process for quality improvement using Environment Rating Scales, accreditation self-study or other approved methods completed within the last 12 months. The program cannot use the YoungStar Evaluation Criteria or the rating results from the previous year as their self-assessment, but the program can use the results to inform the QIP.

A Quality Improvement Plan (QIP) is developed based upon a self-assessment, using the quality improvement self-assessment process. The QIP must be completed in each rating year.

### VERIFICATION

**SELF-ASSESSMENT** - The Consultant/Rater will verify that a self-assessment has been completed **within the past 12 months** and document which self-assessment tool has been used and the date the self-assessment was completed. The self-assessment should be reviewed and contributed to by at least 75% of Lead Staff (Counselors/Teachers/Group Leaders) and the Director. This can be demonstrated through a coversheet, signed by the Director and 75% of Lead Staff (Counselors/Teachers/Group Leaders) saying they had a chance to review and contribute to the document.

**QUALITY IMPROVEMENT PLAN** - The Consultant/Rater is responsible for the verification of a complete QIP that is based upon a self-assessment process. The QIP must be completed in each rating year.

### B.1.1 - 2 Self-Assessment and Quality Improvement Plan

QUALITY INDICATOR

B.1.3 Developmentally Appropriate Environment, Incorporating Wisconsin Model Early Learning Standards and/or School-Age Curricular Framework  
Required for 3 Stars

POINTS AVAILABLE: 1

Exploration and play for children is supported by the environment. Learning occurs best when opportunities are created in natural and authentic contexts. Children are provided with opportunities to explore and apply new skills through a balance of child-initiated and teacher-initiated activities. Children are offered different types of play and learning experiences to choose from, during which time positive interactions amongst peers and Counselors/Group Leaders/Teachers are occurring. Children gain the most benefit from playful learning experiences and materials when positive relationships are at the foundation of teaching.

1. Staff members provide developmentally appropriate activities/practices that are engaging, comforting, culturally sensitive and compassionate.

All of the following elements must be observed:

- All staff/staff and staff/child interactions must be positive or neutral at best.
- The staff and children appear to enjoy being with each other and demonstrate respect for one another.
- Staff use communication that is developmentally appropriate, and have developmentally appropriate expectations for children’s behavior.

At least two of these additional practices must be observed:

- The staff is usually in close physical proximity with the children and often joins in the children’s experiences and activities.
- Staff provides opportunities for peer interactions as children are able to participate in experiences and activities together.
- The staff is observed having turn-taking conversations with most children and asking follow-up questions in a neutral or pleasant tone of voice.
- Staff offer at least one staff-initiated receptive language activity each day (e.g. reading a book to children, storytelling, etc.)

2. The environment includes at least five defined interest centers/areas that are developmentally appropriate and reflect either the WMELS’ five domains or the SACF’s nine content areas.

All of the following elements must be observed:

- Environment includes five defined interest centers/areas that cover all five WMELS domains or all nine SACF content areas.
- All materials must be developmentally appropriate and each classroom/group must include:
  - at least one book for each child allowed to attend at any given time,
  - at least six different types of fine motor materials;
  - at least six different types of art materials (for groups with all children age 12 months or older);
  - at least two sets of 10 – 20 blocks (for groups with children ages 12 months or older);
  - at least five different examples of dramatic play materials; and
  - at least six different types of materials that support math/number development.
- Materials and/or experiences in at least three areas must offer children varied levels of difficulty and/or address different learning styles.
- Materials in the interest centers must be considered easily accessible for independent use by the children meaning that children can reach and use furnishings, equipment and materials independently.
- The daily schedule must include a minimum of 50 consecutive minutes of uninterrupted indoor free choice to allow for in-depth investigation of the environment and materials. (If outdoor play predominates the schedule, all interest areas must be available and easily accessible to children during the 50 minutes of uninterrupted play time.)

  i. If the program is open for more than 4 hours per day for that age group of children served, fifty consecutive minutes is required. The 50 minutes cannot be during the first or last two hours of operation of the program for programs open more than 8 hours.
  ii. If the program is open for less than 4 hours per day for that age group of children served, a minimum of 30 consecutive minutes of uninterrupted indoor free choice is required.
  iii. If the program has a split schedule, then the 50 consecutive minutes can be split. For example: a program has 2 hours of activities in the morning before school and 3 hours of activities in the afternoon. The program can split the minutes by having 25 in the morning and 25 in the afternoon. However, the minutes must be consecutive and uninterrupted.

At least one of these additional practices must be observed:

- All interest centers/areas must be available for children to use for the majority of the day (excluding routine care times). (See the Guidance Document or the appropriate Environment Rating scale tool for more information.)
- Program’s physical space design incorporates both quiet areas and more active (noisy) areas. Quiet areas are not located next to the more active areas.
- Information about WMELS and/or SACF is provided to families and staff (if applicable).

**VERIFICATION**

For this indicator, all classrooms/groups must follow the items outlined above. To use verification time wisely, a Consultant/Rater should verify the practice in one classroom/group for each age group served: birth – 35 months, 36 – 60 months and/or school age. If there are fewer than four groups in the program, Consultant/Rater must verify indicators in every classroom/group. If not all age groups are represented, the Consultant/Rater will verify three selected classrooms/groups. Consultant/Rater must verify developmentally appropriate environment through observation. If more information is needed, lesson plans/schedule review, and interview may be used. The classrooms/groups will be randomly selected on the day of the observations(s).

Comments/areas for future work on Developmentally Appropriate Environments:

Total points earned for Indicator B.1.3 _____/1

---

### C. Business and Professional Practices

**Business and Professional Practices: REQUIRED Points**

**QUALITY INDICATOR**

C.1 Signed YoungStar Contract

**POINTS AVAILABLE: 0**

C.1 Signed YoungStar Contract **REQUIRED for 2, 3, 4, and 5 Stars**

Program must sign and hand in a YoungStar Contract to participate in YoungStar. They do not earn any points for doing this; it is just a prerequisite for participation. This contract is valid for two years.

**QUALITY INDICATOR**

C.2.1 Ongoing Yearly Budget/Budget Review/Record-Keeping/Taxes **REQUIRED for 3 Stars**

**POINTS AVAILABLE: 1**

For 1 point

The program does all of the following:

1. Develops an annual line-item budget which includes funding for at least one item in the program’s Quality Improvement Plan.
2. Reviews the budget annually and makes adjustments to future budgets if necessary.
3. Demonstrates record-keeping practices that track income and expenses including meals and snacks served.
4. Completes timely and accurate tax documents.

**VERIFICATION**

The Consultant/Rater needs to verify the following four items for this indicator:

1. **Line-item Budget:** The program has an annual line-item operating budget which includes all of the following:
   a. Projected income and expenses for current year divided into line-items.
   b. One line-item which includes funding for at least one item in the program’s Quality Improvement Plan (QIP).

   **NOTE:** Consultants/Raters need to be able to verify each of the items listed above for the individual sites within the larger budget to earn the point for this indicator.

2. **Budget Review:** The program reviews the budget annually and makes adjustments to future annual budgets if necessary. The program has a report of actual income and expenses divided into line-items for the previous fiscal year and can demonstrate to the Consultant/Rater at least one area where the actual income and expenses from the previous year informed the annual budget for the current year.

3. **Record-Keeping Practices:** The program demonstrates record-keeping practices that track income and expenses including tracking meals and snacks. All of the following must be verified for this indicator:
   a. **Tracking income and expenses:** The Consultant/Rater needs to see evidence of one month’s worth of records (however, note that extrapolating information from one month to determine actual income received for the whole year is not an accepted business practice).
   b. **Tracking Meals and Snacks:** Child and Adult Care Food Program (CACFP) claims (last 2 months and an in-progress claim) would satisfy this requirement. Programs that provide meals and snacks for children and that are not on CACFP must provide records (Consultant/Rater will request up to 3 months’ worth) documenting:
      i. Menus
      ii. Meal/snack components (what was actually served if different from printed/posted menu)
      iii. Children served that meal/snack (programs not on CACFP will need to keep track of number of children served meal/snack to meet this requirement)
      iv. Date meal/snack was served
      v. Time meal/snack was served (a meal “window” posted on a schedule is fine [i.e., LUNCH 11-11:30AM], as long as this is reasonably accurate to what is observed by Consultant/Rater.)

   **NOTE:** if children bring all meals and snacks from home, the number of children served does not need to be verified for this indicator.

4. **Accurate Taxes:** The program completes timely and accurate tax documents. For a group child care, the Consultant/Rater needs to see signed or electronically filed copies of all of the following:
   i. Copy of last four quarterly 941's or 944's
   ii. Copy of last year's Federal Income Tax Return (Form 1065, Form 1120, Form 1120S or Form 990)
   iii. If they have employees: Copy of last year's State WT-7 OR W3 if they don't file WT-7 because the employees are exempt from paying taxes

12/20/2018  Short-Term Operational Programs  12
Does the program have a line-item budget for the current fiscal year?  
☐ Yes  ☐ No

Is there at least one line of the budget that reflects a goal from the program’s Quality Improvement Plan?  
☐ Yes  ☐ No

Notes on budget: _________________________________________________________________
_________________________________________________________________________________
_________________________________________________________________________________

**Budget Review**

Does the program have a report of actual income and expenses for the previous fiscal year that is used to inform the budget?  
☐ Yes  ☐ No

Can the program demonstrate at least one area where the actual income and/or expenses from the previous year informed the current annual budget?  
☐ Yes  ☐ No

Notes on budget: _________________________________________________________________
_________________________________________________________________________________
_________________________________________________________________________________

**Record-keeping**

Does the program track income received and expenses paid within a line-item budget or profit/loss statement?  
☐ Yes  ☐ No

Documentation provided: ____________________________________________________________
_________________________________________________________________________________
_________________________________________________________________________________

Does the program have a written record of the following?

☐ CACFP claims (**last 2 months submitted and in-progress claim would satisfy this**)  
**OR**

☐ Programs not on CACFP must be able to provide records (**up to 3 months’ worth**) documenting:
  - menus
  - meal/snack components (what was actually served if different from printed/posted menu)
  - children served that meal/snack (programs not on CACFP will need to keep track of number of children served meal/snack to meet this requirement)
  - date meal/snack was served
  - time meal/snack was served (a meal “window” posted on a schedule is fine [i.e., LUNCH 11-11:30AM], as long as this is reasonably accurate to what is observed by Consultant/Rater.)

Notes on record keeping: _____________________________________________________________
_________________________________________________________________________________
_________________________________________________________________________________

**NOTE:** if children bring all meals and snacks from home, this part of the indicator does not need to be verified.

**Tax records**

What type of organization is the program?

☐ Partnership  ☐ Limited Liability Company (LLC)  ☐ Subchapter S  ☐ C Corp.
☐ Non-profit  ☐ Other (Multi-Member LLC or Dis-regarded Entity): __________________________

☐ The program is tax-exempt (*In this case, the Consultant/Rater must see the program’s tax-exempt certification/letter. This applies to Tribal programs also.*)

Does the program have a signed or electronically filed copy of all of the following:

The last 4 quarterly 941’s or 944’s  
☐ Yes  ☐ No

Notes: ____________________________________________________________
_________________________________________________________________________________

Last year's Federal Income Tax Return (Form 1040, Form 1065, Form 1120, Form 1120S or Form 990)  
☐ Yes  ☐ No

Notes: ___________________________________________________________________________
_________________________________________________________________________________

If they have employees: Copy of last year's State WT-7 OR W3 if they don't file WT-7 because the employees are exempt from paying taxes.  
☐ Yes  ☐ No  ☐ No employees
QUALITY INDICATOR

C.5.1-4 Family Engagement REQUIRED for 3 Stars

POINTS AVAILABLE: 1 or 2

Programs are required to earn at least one point for 3 Stars and two points to earn a 4 or 5 Star rating.

NOTE: Programs should strongly consider completing the Strengthening Families Self-Assessment Checklist in order to incorporate the findings into program planning. It can be found at the following: https://www.cssp.org/reform/strengtheningfamilies/practice

Families are a child’s first and most important teacher. It is essential for day camp programs to have a vested interest in connecting with the families of the children that attend their program in various ways. Meaningful family relationships begin with engaged families. There are four indicators within the family engagement point and each one has three items with options to choose from:

5.1 Communication (indicator)
   5.1.1 Respectful two-way exchange of information (item)
   5.1.2 Multiple ways to communicate are offered
   5.1.3 Time is made to engage families meaningfully in conversations

5.2 Family Needs and Feedback Inform Program
   5.2.1 Family input guides program planning and policies
   5.2.2 Program is adapted to meet the needs of children and families
   5.2.3 Hiring practices of staff and volunteers reflect family’s diverse backgrounds

5.3 Collaborative Activities with Families
   5.3.1 Fathers are encouraged to participate in activities
   5.3.2 Opportunities exist for staff and families to learn from one another
   5.3.3 Volunteer opportunities match families’ strengths, interests, and skills

5.4 Community Resources and Family Support
   5.4.1 Families are connected to community resources
   5.4.2 Support and planning around transitions is provided
   5.4.3 Educational and developmental resources are offered for families to use at home

To earn a point, and meet the 3 Star requirement, programs must demonstrate practices aligned with at least one item from each of the four indicators.

Example: Indicator 5.1 Communication; one item could be Item 5.1.2 Multiple ways to communicate are offered.

To earn a point, and meet the 4 or 5 Star requirement, programs must demonstrate practices aligned with at least two items from each of the four indicators.

Example: Indicator 5.1 Communication; two items could be 5.1.2 Multiple ways to communicate are offered AND Item 5.1.3 Time is made to engage families meaningfully in conversations.
VERIFICATION

Verification periods are stated as 12 months. If a program operates for less than 12 months, the requirements are pro-rated. The program will provide applicable evidence with the following: (one or more of the following are required for verification)

- Program policies/goals/philosophies
- Program or Classroom Documents
- Observation
- Schedules
- Parent Handbook
- Other written communications such as:
  - email, newsletter, text messages, Facebook,
  - communication outreach to other partners,
  - meeting agendas,
  - intake forms or process communication logs,
  - introductory or exit surveys
  - translation services
  - materials for families in two households
- Staff Handbook
- Job Descriptions or staff expectations/staffing assignments
- Event programs/flyers
- records of requested modes of communication
- forms for suggestion box
- external assessments
- attendance sign-in sheets
- resource guides
- evidence of a referral log
- hearing/vision screenings
- letters of partnership
- partnership agreements

C.5.1 Communication

Practices that promote and encourage frequent, continuous, and reciprocal exchange of family and child specific information between providers and families are essential to quality family engagement. Well-designed communication systems employ varied and flexible methods for providers and families to exchange information. Communication should be aimed at building mutual aid, respect, and understanding between provider and families. Quality communication practices ensure programs interface with families utilizing their preferred means of contact, with special consideration for the full spectrum of family diversity, and use their primary language. Examples of ways that programs can demonstrate each of the three communication items can be found in the Companion Guidance Document.

| Documentation: |

| 5.1.2 Multiple ways to communicate are offered |
| Met: □ Yes □ Not Met |
| Documentation: |

| 5.1.3 Time is made to engage families meaningfully in conversation |
| Met: □ Yes □ Not Met |
| Documentation: |

C.5.2 Family Needs and Feedback Inform Program

While it is crucial that families are informed child care consumers, it is equally important that providers are knowledgeable of the needs and goals of the children and families they serve. Programs can elicit family
perspectives and obtain feedback in a variety of ways including surveys, comments, complaint submission processes, exit interviews, child and family strengths, and needs assessments. Utilizing the information to inform programming and staff professional development can help programs connect with families in creative and meaningful ways to advance the goals of the program and consumers. **Examples of ways that programs can demonstrate each of the three family needs and feedback items can be found in the Companion Guidance Document.**

**C.5.3 Collaborative Activities with Families**

Positive family engagement practices are revealed when families are provided multiple opportunities to meaningfully participate in a child’s care and education. It refers to provider initiated activities that elevate families as equal partners in promoting healthy child development and cultivate skills for long-term achievement within the care and education setting. **Examples of ways that programs can demonstrate each of the three collaborative activities with families items can be found in the Companion Guidance Document.**

C.5.4 Community Resources and Family Support

Care and education professionals are well positioned to support families outside of the settings in which they support children. They can advocate for services and resources identified in partnership with the family. Providers can be the critical link between families and community resources. Additionally, they may offer support around parenting issues and family education outside the immediate child care and education setting. Examples of ways that programs can demonstrate each of the three community resource items can be found in the Companion Guidance Document.

Total points earned for Indicator C.5.1-4 ______/2
**D. Health and Well-being**

<table>
<thead>
<tr>
<th>QUALITY INDICATOR</th>
</tr>
</thead>
<tbody>
<tr>
<td>Health and Well-being: <strong>REQUIRED</strong></td>
</tr>
</tbody>
</table>

**D.1. Health and Well-being**

**POINTS AVAILABLE:** 1

**D.1.1 Program supports healthy nutrition and/or physical activity policies and practices**

**REQUIRED for 3 Stars**

The intent of this indicator is for programs to improve nutrition and/or physical activity policies and practices through the use of a self-assessment and continuous quality improvement cycle.

Programs must demonstrate all four of the following:

1. Program uses a YoungStar–determined self-assessment tools for quality improvement in the area of nutrition and/or physical activity.
2. Program has developed a Quality Improvement Plan (QIP) based upon the results of the chosen nutrition and/or physical activity self-assessment. The QIP must have been developed within the past 12 months and coincide with the completion of the self-assessment mentioned above. The QIP must include all of the following:
   - At least three specific goals for nutrition and/or physical activity
   - Action steps to be taken to meet the identified goals
   - Timeline for completion of the goals
   - Persons responsible for accomplishing the goals
3. Program has policies and procedures on-site to address children’s allergies and dietary restrictions. This requirement applies even if there are no children in care with allergies or dietary restrictions.
4. If the program allows meals, snacks or beverages to be brought from home, the program has a policy which states the program will supplement the meals, snacks and beverages if they do not meet the guidelines established by the Child and Adult Care Food Program (CACFP).

**VERIFICATION**

The Consultant/Rater will verify that an approved self-assessment has been completed within the past 12 months. The Consultant/Rater will verify that the self-assessment has been reviewed and contributed to by the Director and at least 75% of Lead Staff (Counselors/Teachers/Group Leaders). This can be demonstrated through a coversheet, signed by the Director and 75% of Lead Staff (Counselors/Teachers/Group Leaders) saying they had a chance to review and contribute to the document.

The Consultant/Rater will verify that a complete nutrition and/or physical activity-focused QIP was completed. The Consultant/Rater will verify that the QIP was developed within the past 12 months to coincide with the self-assessment mentioned above.

The Consultant/Rater will verify that the program has policies and procedures on-site that address children’s allergies and dietary restrictions. The Consultant/Rater will verify this by specific document and page numbers of the written policy and procedures.

The Consultant/Rater will verify that the program has a policy which states the program will supplement meals, snacks and beverages if they do not meet the CACFP Guidelines. The Consultant/Rater will verify this through review of the policy.

<tr>
<td>50% of groups have one staff person assigned to the room in the Program Profile who has completed the full WMELS training (15-18 hours) or training in SACF (15 hours). Staff have the option of completing either training if only school-age children are enrolled.</td>
</tr>
</tbody>
</table>

**NOTE:** Verification will be completed through automated linkage with The Registry to confirm classroom staff have completed either the full WMELS 15-18 hour training delivered by an approved WMELS trainer, the WMELS credit-based training or the SACF 15 hour training. The intent of this indicator is that the classroom staff are trained in the tool that matches the age group(s) served (at least one of the children in care should match the age group of the tool in which the classroom staff is trained). However, The Registry will give the program credit for this indicator if one classroom staff member has taken either training.

**B.2.1 WMELS or School-Age Curricular Framework Training**

<table>
<thead>
<tr>
<th>Indicator Met: ☐ Yes ☐ Not Met</th>
<th>Point(s) Earned: _____/1</th>
</tr>
</thead>
</table>

Comments/areas for future work on WMELS or SACF training:

**B.2.2 Curriculum/Programming aligned with WMELS or SACF**

<table>
<thead>
<tr>
<th>POINTS AVAILABLE: 2</th>
</tr>
</thead>
<tbody>
<tr>
<td>For 2 points</td>
</tr>
<tr>
<td>The program uses a curriculum aligned with the Wisconsin Model Early Learning Standards (WMELS) or School-Age Curricular Framework (SACF). This means WMELS or SACF is implemented for the curriculum/programming for all children in care. Child care programs must demonstrate how their curriculum aligns with the Wisconsin Model Early Learning Standards’ five domains of early learning and development through the following four things:</td>
</tr>
</tbody>
</table>

**NOTE:** B.2.2 focuses on the general connection with the learning experiences linked to the group as a whole, not to the individual child as in B.3.2.

**For WMELS:** Child care programs must demonstrate how their curriculum aligns with the Wisconsin Model Early Learning Standards’ five domains of early learning and development through the following four things:

- Lesson plans reflect the WMELS five domains with goals/learning objectives written on lesson plans.
- Interest centers reflect the WMELS five domains.
- Developmentally appropriate learning experiences are linked to child assessments and/or goals/learning objectives/outcomes for children and/or the program as a whole.
**School-Age Curricular Framework**
The SACF is NOT a curriculum or an assessment tool, but a framework that guides what staff teach and how staff teach.

School-age programming should show evidence of the following:

- Matching up programming/activities with children’s general needs in development, scope and sequence, and interests: All children and youth should have the opportunity to participate in high quality afterschool programs designed to meet their developmental needs.

This alignment must be demonstrated through the following **four** things:

- Lesson plans reflect the School-Age Curricular Framework’s nine content areas with goals for learning or enrichment written on lesson plans.
- Interest areas reflect the School-Age Curricular Framework’s nine content areas.
- Enrichment experiences are linked to the goals/learning objectives/outcomes for children and the program as a whole.

WMELS and/or SACF is also used to provide information to families and staff (if applicable) in addition to curriculum alignment. This can be demonstrated through documentation of **two or more** of the following:

- Parent handbook
- Center operational policies
- Staff training materials
- Documentation from family meetings
- Orientation materials
- Newsletter
- Poster

**VERIFICATION**
Verification of programming alignment will be done by the Consultant/Rater. To use Consultant/Rater time wisely, verification of this indicator must be done in one classroom/group from each of the following age groups: birth – 35 months, 36 – 60 months, and school age.

If there are fewer than four groups, Consultant/Rater should verify documentation (lesson plans, activity plans or individual child learning plans) for all classrooms/groups. The Consultant/Rater must review the **most recent consecutive four weeks’** lesson plans for this indicator. If not all age groups are represented, the Consultant/Rater will verify three selected classrooms/groups.

If there are questions about program alignment with SACF or WMELS, the Department will make a determination.

**B.2.2 Curriculum/Programming aligned with WMELS or School-Age Curricular Framework**

<table>

Comments/areas for future work on curriculum/programming alignment with School-Age Curricular Framework or Wisconsin Model Early Learning Standards:

Total points earned for Indicator B.2.1-2 _______/3

QUALITY INDICATOR

B.3.1-4 Program-Wide Practices for Child Outcomes

POINTS AVAILABLE: 5

B.3.1 Individual child portfolios

For 1 point

For this indicator, documentation through portfolios is the record of the child’s process of learning represented by artifacts of children’s work or the data on which evaluation of the child’s learning is based.

Portfolios for Children Birth to Five

Portfolios must include at least one anecdotal observation or piece of evidence which can cover each of the five categories above. A single anecdotal observation or piece of evidence may represent one or more of the five practices for the same entry.

To be robust, a portfolio for children who are not school-age must include at least one piece of evidence or observation from each of the five following categories to be considered complete (which will be verified by Consultant/Rater):

- What the child has learned and how the child has gone about learning.
- How the child thinks, questions, analyzes, synthesizes, produces, and creates.
- How the child interacts - intellectually, emotionally and socially - with others.
- Goals/learning objectives for child outcomes are included in child portfolios.
- Artifacts/samples of the child’s work.

Portfolios for School-Age Children

At least one goal/learning objective per month must be documented for school-age children in regular attendance. Each entry must be dated, including months where goals have remained the same. This should include the month and the year minimally.

To be robust, a portfolio for children who are school-age must have at least three pieces of evidence or observations to be considered complete which demonstrate one or more of the following:
• What the child has learned and how he or she has learned it
• Goals/learning objectives for child outcomes
• Artifacts/samples of the child’s work or child-completed participation surveys

**VERIFICATION**

Portfolios must be used for every child ages birth to five and must be robust for every child who is in regular attendance.7 For school-age children, portfolios must be robust for every child who is in regular attendance, however, are not required for children who are not in regular attendance. To use Consultant/Rater time wisely, verification of this indicator must be verified for 25% of the children from the following age groups: birth – 35 months, 36 – 60 months, and/or school age. Up to a maximum of 27 portfolios. If there are fewer than four groups in the program, Consultant/Rater must verify portfolios for 25% of the children in every classroom/group. If not all age groups are represented, the Consultant/Rater will verify three selected classrooms/groups. If a child is enrolled for more than 6 days, the portfolio for that child must be created and must have at least one piece of evidence or observation in it.

**Programs must be able to demonstrate at least one year of portfolio use.** The Consultant/Rater must use his/her judgment to determine if portfolios are used actively and in an ongoing manner. When a program only operates for 14 consecutive weeks or fewer, a portfolio for any child enrolled for more than six days, must be created and must have at least one piece of evidence or observation in it. This means, at a minimum, the portfolios must be updated with a piece of evidence or observation at least once every six weeks. The item could include an artifact, anecdotal note or observation, an activity summary survey or an interest survey(school-age).

At least one goal/learning objective per six weeks must be documented in a child’s portfolio. It could be the same goal/learning objective for multiple weeks. The Lead Staff is responsible for ensuring that the goals/learning objectives for each child correspond to the documentation that is being included in the portfolio. The goals/learning objectives must be in each child’s portfolio. Each entry must be dated, including weeks where goals have remained the same. This should include the week and the year minimally.

If a program sends portfolios home with families every so often and does not keep copies of these as proof, the program can still earn the point for this indicator if this practice is noted in the parent handbook and supported in practice with new portfolios having been created. In this case, a Consultant will encourage a program to make photocopies over the last year of at least one child in each classroom to demonstrate this practice for YoungStar.

Comments/areas for future work on child portfolios:

QUALITY INDICATOR

B.3.2 Counselor/Teacher/Group Leader Uses Intentional Planning to Improve Individual Child Outcomes

POINTS AVAILABLE: 2

For 2 points
Counselor/Teacher/Group Leader uses intentional planning to improve child outcomes. This includes the use of an individual child assessment tool with periodic summarization (at least monthly) to monitor progress in the domains.

Assessment tools used by the program must show that the following practices are included in the assessment process:

- demonstration that the assessment tool is ongoing (indicating specific dates the assessment tool has been used for a child versus check marks only)
- demonstration of use as a continuum that incorporates a broader scope of development and learning for children
- demonstration of being tied to children’s daily activities, including child-guided experiences (e.g., in learning areas or work on projects) and peer-to-peer interactions.
- review/alignment of all assessment tools used by program to the WEMLS Performance Standards or the SACF (depending on age groups served.)

Counselors/Teacher/Group Leader must be trained on the assessment tool that they use to inform their practice and individualize instruction for children in their care.

VERIFICATION FOR ALL AGES WITHIN THIS INDICATOR

Program must be able to demonstrate that they do all of the following:

1. Assess individual children (using an assessment tool aligned to WMEIIS or SACF).
   - The Consultants/Rater will verify that assessment of individual children is taking place by:
     - Conducting an interview of the Lead Staff to verify the following:
       - Individual classroom procedures for conducting assessments such as:
         - What is the process for documenting that children are moving toward their identified goals/learning objectives?
         - How many goals/learning objectives are set for each child each month?

---

8 A continuum spans the whole of the early childhood years and describes the progression of development and learning that children can be expected to know and do as they develop. There usually is an overlap in the age ranges, reflecting that the sequence of developmental skills will be achieved within a broad range of time.
· Is there any identified focus for the observations/evidence collection?
· Is the classroom’s focus on one domain per month or on specific assessment indicators?
    • Modifications are being made for individual needs of children.
    • Verifying the frequency of child assessment is at least twice per year or at the recommended frequency of the tool, if the recommended frequency is more than twice per year.
    • Summer School-age only: Verifying the frequency of child assessment is at least every six weeks or at the recommended frequency of the tool.
    • It is the program’s responsibility to demonstrate the connections between the child observations, lesson plans (if used), goals/learning objectives, and the individualized child assessment tool that is used by the program.
    • Verifying the program is using what is learned from the assessment process to inform the lesson plans (if used).

2. Use what is learned from the assessment process to establish lesson plans and program areas where they aim to improve child outcomes. Consultants/Raters will need to see a direct connection between assessment summaries and the goals/learning objectives identified on lesson plans on a sampling of portfolios. If a program does not have a lesson plan they can still earn this component but must have a way of indicating that they are documenting goals/learning objectives for individual children.

3. Plans and implements learning experiences based upon child assessments. The Consultant/Rater will verify that the Counselor can explain how they plan and implement learning experiences based upon child assessments:
    • Conducting an interview of the Lead Staff about:
      o How they are supporting children being successful at the stage each child is at and not only the whole group of children
      o Modifications that are being made for individual needs of children and use of Counselor strategies to support children’s learning
    • Tracking through consecutive 4 weeks of lesson plans with specific children’s goals/learning objectives.

4. When an assessment tool for a child is completed, the program communicates the information with the family. The program will provide the Rater with the completed assessment, and documentation of the meeting with the families for 25% of the children in regular attendance from at least one classroom for each age group: birth – 35 months, 36 – 60 months and/or school-age for the last 12 months. If a family refuses to meet, a signed refusal form is acceptable.

All groups must use intentional planning. To use the verification time wisely, a Consultant/Rater will request to see the most recent consecutive four weeks of lesson plans, for one group at each of the following age groups: birth – 35 months, 36 – 60 months, and/or school age. If there are fewer than four groups in the program, Consultant/Rater must verify indicators for every group. Additionally, individual child assessments/developmental milestone checklists or portfolio entries must be verified for 25% of the children in regular attendance in those selected groups.

For example, if there were three groups, one serving each age group, the Consultant/Rater should see the lesson plans for each classroom/group and the child assessments/developmental milestone checklists or portfolio entries for 25% of the children in regular attendance in the selected classroom/group. If there are fewer than four groups in the program, Consultant/Rater must verify for every classroom/group. If not all age groups are represented, the Consultant/Rater will verify three selected classrooms/groups.
NOTE: Assessments that are designed by the program may be used if, in the opinion of the Consultant/Rater, they are appropriate. If the Consultant/Rater has any doubts or wants verification, he or she may send the assessment to DCF for review.

Comments/areas for future work on intentional planning:

QUALITY INDICATOR

B.3.3 Program Implements Developmental Screening Practices

POINTS AVAILABLE: 1

For 1 point
Children birth to five years and school-age
Practices must be indicated in the following:

- Director/designee demonstrates that she/he has received training on screening tools used in the program. The training needed for each screening tool varies by screening tool but could include any of the following: reading a book; watching a video; or attending a training by a registered PDAS trainer or other trainer. If there is no physical proof of the training (i.e. a certificate of attendance or similar artifact), the Consultant/Rater, through interview, needs to ensure the person who took the training understands the training content and can explain how the training will influence their practice.

- Within 30 to 45 days of a child's enrollment, a completed developmental screener has been received from the family.

- The program provides the developmental screening opportunity annually or as recommended by the tool and assures appropriate referrals are made to appropriate resources. If a program does not receive a completed screener from the family, the program must document which families have not returned it. Although not required to earn this point, programs should consider adding a statement in their program policies about their developmental screening practices for children. The waiver and documented attempts are acceptable replacements.

- When developmental screening is completed and reviewed by the program staff findings are discussed with the families. The program will provide the Rater with at least one completed screening tool, and documentation of the meeting with the families for 25% of the children in regular attendance from at least one classroom for each age group, for the last 12 months.

A waiver form can be kept in lieu of developmental screening and results should a parent decline developmental screening. The waiver should be kept in the child's portfolio. The sample waiver form is available at: https://dcf.wisconsin.gov/files/youngstar/pdf/samplescreeningwaiver.pdf
VERIFICATION

Screenings must be received for every child who is in regular attendance. To use Consultant/Rater time wisely, this indicator will be verified for 25% of the children in regular attendance from one group from the following age groups: birth – 35 months, 36 – 60 months, and/or school age. If there are fewer than four groups in the program, Consultant/Rater must verify indicators for 25% of the children in every classroom/group. If not all age groups are represented, the Consultant/Rater will verify three selected classrooms/groups.

Comments/areas for future work on Developmental Screening Practices:
QUALITY INDICATOR

B.3.4 Curriculum and Environment Support Individual Child Goals, as Derived from Child Assessments Program Implements Tracking of Children’s Development for Child Outcomes, as Derived from Child Assessments

POINTS AVAILABLE: 1

For 1 point
Lead Staff (Counselors/Teachers/Group Leaders) tracks individual child goals/learning objectives and programs track outcomes to demonstrate that Lead Staff's training and child interactions improve children’s individual outcomes. Programs must be able to demonstrate at least six months of tracking child outcomes to earn this indicator.

NOTE: this indicator cannot be earned if program does not earn Indicators B.3.1 and B.3.2 AND a program cannot earn this in the first year if they have not already started tracking child outcomes.

VERIFICATION

To earn this point, individual child outcomes must be tracked for every child who is in regular attendance. To earn the point for this Indicator, all groups must track individual outcomes but to use verification time wisely, a Consultant/Rater must request to see the most recent consecutive four weeks of lesson plans for 25% of children in the each of the group: birth – 35 months, 36 – 60 months, and/or school age. If there are fewer than three groups in the program, Consultant/Rater must verify indicators for 25% of the children in every group. For the groups selected, the Consultant/Rater must also cross-check the most recent four weeks of lesson plans with the individual child assessments, developmental milestone checklists or portfolio entries for the children that are listed on the lesson plans.

To earn this point, Consultants/Raters should ensure the Director and Lead Staff (Counselors/Teachers/Group Leader) shows an understanding of child outcomes and can explain how individual child outcomes are tracked over the duration of a child’s enrollment. Individual Lead Staff (Counselors/Teachers/Group Leader) must be able to demonstrate they track child outcomes through portfolios and lesson plans. The Lead Staff (Counselors/Teachers/Group Leaders) must show that lesson plans are adapted to reflect goals/learning objectives from individual child assessments. For example, the School-Age Curricular Framework implementation form provides an area for individual goals/learning objectives that can be used for lesson planning.

If an initial assessment has been done on the children in the group, and because of the timing of the rating, a follow up assessment has not been completed, the program may still earn the point by demonstrating past assessments. If the program is in the process of performing assessments for the first time and has not completed the first round of assessments, the program MAY NOT earn the point for assessments.

If Yes, where is it written? ________________________________ Page #: ________

Where are the policies located within the center?

__________________________________________________________________________________

Examples of staff expectations in personnel policies:

__________________________________________________________________________________

__________________________________________________________________________________

## 4. Salary/benefit schedules

Does the program have a written salary and benefit schedule easily available to staff that includes all of the following?

- Yes 
- No

- Outlines staff roles and responsibilities

  Where: ___________ Page #: ___________

- Salary Scale uses at least three factors when differentiating between salary schedules

  - Factor One: ______________________________________
  - Factor Two: ______________________________________
  - Factor Three: _____________________________________

- Written policy which documents the salary and benefits schedules

  Where: _________________________ Page #: _________

- Written policy which documents annual process for increasing salary and benefits

  Where: _________________________ Page #: _________

Notes on salary/benefits:

__________________________________________________________________________________

## 5. Evaluation procedures

Does the program have a written performance appraisal process that documents the annual process for evaluation and contains all of the following?

- Yes 
- No

- Documents the annual process for evaluation

  Where: ___________ Page #: ___________

- Written performance appraisal process is available to all staff while at the program

Where are the policies located within the center?

__________________________________________________________________________________
Are written performance appraisals base upon responsibilities of the job and connect to the job descriptions?  
- Yes  
- No

**Lead Staff:** Does the program have a written performance appraisal on file for each Lead Staff (Counselors/Teachers/Group Leaders) who has been employed for at least 90 days? (this can be verified by seeing files for 25% of staff)  
- Yes  
- No

If the program has been open for at least one year, do all Lead Staff (Counselors/Teachers/Group Leaders) that have been there one year have an annual performance appraisal on file?  
- Yes  
- No  
- Program has not been open for one year

Does the performance appraisal include a self-evaluation for staff to complete?  
- Yes  
- No

**Director:** Does the program have a written performance appraisal from the board of Directors, owner or higher entity on file for the Director who has been employed for at least 90 days?  
- Yes  
- No

If No, does the program have a self-evaluation with professional development goal setting?  
- Yes  
- No

Are all appraisals kept in a confidential manner?  
- Yes  
- No

Notes on evaluation procedures: ____________________________

**6. Staff disciplinary policies**

Does the program have a written disciplinary policy that outlines all of the following?  
- Yes  
- No

If yes, where is it written? ____________________________________________ Page#: ____________

- Behaviors that are subject to disciplinary action  
- Consequences of unacceptable behaviors  
- Methods to inform the employees of violation including the timeline, how the notification of violation and consequences will be given  
- Confidentiality clause which states this notification is done in private and between the employee and person they report to

Where is the policy located within the program?

Where: ___________________________  Page #: ______________

Notes on staff disciplinary policies: ____________________________

**7. Grievance procedures**

Does the program have a written grievance policy?  
- Yes

Total points earned for Indicator C.2.1-3 _____/3
QUALITY INDICATOR

C.3.1-5 Professional Development

**POINTS AVAILABLE: 1**

**C.3.1-5 Professional Development**

1 point is awarded if TWO or more of the following practices are evident

- C.3.1 Annual staff evaluation includes professional development (PD) goal-setting,
- C.3.2 Access to professional development funding,
  
  **NOTE:** This practice cannot be earned if center does not earn the practice indicated in C.3.1.
- C.3.3 Access to professional development materials on-site,
- C.3.4 Camp Director and/or administrator have active membership in a professional association focused on Early Childhood Education (ECE) or school-age care.
- C.3.5 75% or higher retention rate of well-educated (AA or higher) Lead Staff and program administration over most recent three-year period.

**C.3 Professional development**

**QUALITY INDICATOR**

C.4.1-4 Staff Benefits

**POINTS AVAILABLE: 1**

C.4.1-4: Staff benefits

1 point is awarded if TWO or more of the following practices are evident:

- C.4.1—Access to health insurance with 25% contribution within the first year of employment,
- C.4.2—Access to pension/retirement with contribution,
- C.4.3—Paid time off of 18 or more days per year for full-time Lead Staff (Counselors/Teachers/Group Leaders) and Camp Director, prorated for part-time Lead Staff,
- C.4.4—All-staff meetings and planning time,

**C.4 Staff benefits**

Indicator Met: ☐ Yes  ☐ Not Met  Point(s) Earned: _____/1

At least two Indicators in C.4 must be verified to earn this point. Place a checkmark in the boxes that correspond to the Indicators that were verified.
C.4.1 Access to health insurance with 25% employer contribution for full-time staff
If the program has a line-item budget, does the program have line-item on the budget for health insurance?
☐ Yes Name of line-item in budget: ______________________________________
☐ No □ Program does not have a line-item budget

Has there been money spent on health insurance in the last 12 months? [This can be shown (for example) through receipts or invoices from insurance companies, Profit/Loss Statement etc.]
☐ Yes Verified through (receipts, invoices, etc.): _____________________________
☐ No
☐ Benefit was offered (evidenced through policies) but no one took the benefit
Is a written copy of the insurance policy conveniently available to staff?
☐ Yes ☐ No
Notes on health insurance: ________________________________________________
________________________________________________________________________

C.4.2 Access to pension/retirement with employer contribution for full-time staff
If the program has a line-item budget, does the program have line-item on the budget for pension/retirement?
☐ Yes Name of line-item in budget:
☐ No □ Program does not have a line-item budget

Has there been money spent on pension/retirement in the last 12 months? [This can be shown (for example) through receipts, Profit/Loss Statement or documents showing contribution to a retirement plan.]
☐ Yes Verified through (receipts, statements, etc.):
☐ No
☐ Benefit was offered (evidenced through policies) but no one took the benefit
Is a written copy of the pension/retirement policy conveniently available to staff?
☐ Yes ☐ No
Notes on pension/retirement: ______________________________________________
________________________________________________________________________

C.4.3 Paid time off
Does the program have a written policy that gives 18 days of paid time off annually for full-time Lead Staff and Camp Director?
☐ Yes ☐ No
Does the program pro-rate the paid time off for part-time Lead Staff?
☐ Yes ☐ No
Notes on paid time off: ____________________________________________________
________________________________________________________________________

C.4.4 All-staff meeting and planning time
Does the program hold monthly staff meetings?
☐ Yes Verified through (schedules, timesheets, etc.): __________________________
☐ No
Do Lead Staff (Counselors/Teachers/Group Leaders) get at least 2 hours of paid planning time per week?
☐ Yes Verified through (schedules, timesheets, etc.): __________________________
☐ No
Notes on all staff meeting and planning time: __________________________________
________________________________________________________________________

Comments/areas for future work on overall staff benefit

Total points earned for Indicator C.4.1-4 __________/1
D. Health and Well-being

Health and Well-being: OPTIONAL Points

QUALITY INDICATOR

D.1.2-4 Health and Well-being

POINTS AVAILABLE: 4

D.1.2 Program supports physical skill development and healthy physical activity

For 1 point

Programs must demonstrate all of the following (based on the age groups served):

- **Classrooms with the majority of children birth – 35 months of age (infants and toddlers):** Program provides free play which is unrestricted and allows for daily active exploration and physical activity. Children will be provided with physical activity and active exploration for 45 minutes daily. Half of this time is teacher-led and half is child-initiated and can be in 5 – 10 minute increments. Children are provided with zero minutes of screen time while attending the program. Unrestricted free time for children to explore their physical movement must be available indoors and outdoors, weather permitting.

- **Classrooms/Groups with the majority of children 36 – 60 months of age:** Program provides children 36 - 60 months a total of 90 minutes minimum of physical activity and active exploration daily. Half of this time is Counselor-led and half is child-initiated. Children are provided with less than 30 minutes of screen time per week while at the program. Unrestricted free time for children to explore their physical movement must be available indoors and outside, weather permitting.

- **Groups with the majority of children 5 years and older in school:** Program provides children with a total of 90 minutes minimum of physical activity and active exploration daily. Half of this time is Counselor-led and half is child-initiated. School-age children are provided with less than 60 minutes of screen time per day while at the program. Unrestricted free time for children to explore their physical movement must be available indoors and outdoors, weather permitting.

VERIFICATION

All classrooms/groups must follow the guidelines outlined above, but to use verification time wisely, a Consultant/Rater should verify this practice in one classroom/groups for the following age groups: birth – 35 months, 36 – 60 months, and/or school age. If there are fewer than four classroom/groups in the program, Consultant/Rater must verify for every classroom/group. If not all the age groups are represented, the Consultant/Rater will verify three selected classrooms/groups. Consultant/Rater must verify learning experiences through observations, lesson plans for the past 4 weeks, daily schedules or by interview. The Consultant/Rater must also verify the screen time policy.

</tr>
</thead>
<tbody>
<tr>
<td>Indicator Met: ☐ Yes ☐ Not Met</td>
</tr>
<tr>
<td>Point(s) Earned: ______/1</td>
</tr>
</tbody>
</table>

Consultant/Rater verified the following:

**Infant and Toddlers (birth – 35 months)**

Classroom/group verified:

Physical activity is provided for children which includes all of the following:

- Children are provided with 45 minutes of physical activity and active exploration daily. Half of this time is Lead Staff-led and half child initiated.
- Children are provided with 0 minutes of screen time per week.

---

9 Unrestricted free time should be unobstructed where possible and should include safe activities for the space the children are using for the physical activity free time. If inclement weather prohibits outside time, equivalent time indoors for physical activity will be available. Definition of inclement weather or weather permitting follows licensing standards from Wisconsin Administrative Code.
• Infants and toddlers are provided unrestricted free time to explore their physical movement both indoors and outdoors daily (weather permitting).
  □ YES  Verified through one or more of the following:
        _____ Observation
        _____ Lesson Plans (4 weeks)
        _____ Daily Schedule
        _____ Interview

Does the program have a policy that addresses how screen time is used?
  □ YES  □ NO
Where is the policy located: ___________________________  Page # ________

□ NO
   ______ Not Applicable because this age group is not served

Comments: __________________________________________

Preschoolers (36 months – 60 months)
Classroom/group verified: ______________________

Physical activity is provided for children which includes all of the following:
• Children are provided with 90 minutes of physical activity and active exploration daily. Half of this time is Lead Staff-led and half child initiated.
• Children are provided with less than 30 minutes of screen time per week. This can be demonstrated through any of the following:
  o Classroom schedule
  o Lesson plans for the past 4 weeks demonstrating this
  o Program policy prohibiting more than 30 minutes of screen time per week for 36 months to 5 year olds
• Children are provided unrestricted free time to explore their physical movement both indoors and outdoors daily (weather permitting).
  □ YES  Verified through one or more of the following:
        _____ Observation
        _____ Lesson Plans (4 weeks)
        _____ Daily Schedule
        _____ Interview

Does the program have a policy that addresses how screen time is used?
  □ YES  □ NO
Where is the policy located: ___________________________  Page # ________

□ NO
   ______ Not Applicable because this age group is not served

Comments: __________________________________________

School-Age (61+ months and older)
Group 1 verified: __________________________

Physical activity is provided for school-age which includes all of the following:
• School-age children are provided with 90 minutes of physical activity and active exploration daily. Half of this time is Lead Staff-led and half child initiated.
• School-age children are provided with less than 60 minutes of screen time per day. This can be demonstrated through any of the following:
  o Classroom schedule
  o Lesson plans for the past 4 weeks demonstrating this
  o Program policy prohibiting more than 60 minutes of screen time per day for school-agers
• School-age children are provided unrestricted free time to explore their physical movement both indoors and outdoors daily (weather permitting).

QUALITY INDICATOR

D.1.3 Social Emotional/WI Pyramid Model/Inclusion Training

POINTS AVAILABLE: 2

For 1 point

50% of the staff have one of the Registry-verified trainings/equivalencies listed below.

- 3 credits of inclusion training; (for example: a course from the Inclusion Credential)
- The Wisconsin Pyramid Model for Social and Emotional Competence Infant Toddler and Preschool Modules (24 hours);
- 15 or more hours of training in Positive Behavior Intervention and Supports (PBIS);
- 15 or more hours of Guiding Children’s Behavior in School-Age Care;
- 12 or more hours of training in Tribes® TLC; or
- 15 or more hours of YoungStar-approved non-credit training on inclusive practices, serving children with disabilities, and children with special health needs.

For 2 points

The Director and an individual from every classroom/group must have one of the Registry-verified trainings/equivalencies listed below.

- 3 credits of inclusion training; (for example: a course from the Inclusion Credential)
- The Wisconsin Pyramid Model for Social and Emotional Competence Infant Toddler OR Preschool Modules (24 hours);
- 15 or more hours of training in Positive Behavior Intervention and Supports (PBIS);
- 15 or more hours of Guiding Children’s Behavior in School-Age Care;
- 12 or more hours of training in Tribes® TLC; or
- 15 or more hours of YoungStar-approved non-credit training on inclusive practices, serving children with disabilities, and children with special health needs.

VERIFICATION

Verified by The Registry.

**VERIFIED BY THE REGISTRY**

Comments/areas for future work:

Total points earned for Indicator D.1.2-4 _____/4

**NOTE:**

For ratings occurring on or after January 1, 2019, YoungStar will no longer accept Department-approved Child Abuse and Neglect Prevention (CANP) training to meet the requirements of indicator D.1.4. This includes Wisconsin Mandated Reporter Online Training, SCAN-MRT, Darkness to Light/Stewards of Children, and Wisconsin technical college course 10-307-167 ECE: Health, Safety and Nutrition. Programs that earned a point for D.1.4 due to having one or more of these trainings will no longer earn that point when they are rated in the 2019 rating year.
# Required Quality Indicators for YoungStar Levels

## Short-Term Operational Programs

**4 or 5 Star Only**  
**Earned Through Accreditation**

All programs must be in Regulatory Compliance to earn two or more stars.

<table>
<thead>
<tr>
<th>Education</th>
<th>4 Star</th>
<th>5 Star</th>
<th>4 or 5 Star Only</th>
<th>Earned Through Accreditation</th>
</tr>
</thead>
</table>
| Lead Staff (Counselor/Teacher/Group Leader) with Registry Level 7 or higher for 25% of all groups AND Lead Staff with Level 6 or higher for an additional 25% of all groups  
Director/Site Supervisor with Registry Level 10 | N/A | N/A | YoungStar accepts the following accreditations as equivalent to a 5 Star rating:  
• National Association for the Education of Young Children (NAEYC)  
• Association for Early Learning Leaders’ National Accreditation Commission  
• City of Madison Group and School-Age Accreditation  
YoungStar accepts the following accreditations as equivalent to a 4 Star or a 5 Star rating:  
• Council on Accreditation (COA)  
• National Association for Family Child Care (NAFCC)  
• Satellite Family Child Care Accreditation (in the greater Madison area)  
• American Camp Association (ACA)  
With any of the above accreditations, a program will automatically receive a 4 Star rating.  
If the program additionally meets the educational requirements of a 5 Star program in their respective YoungStar rating track, that program would be eligible for a 5 Star rating.  
YoungStar accepts the following accreditations as equivalent to a 4 Star or a 5 Star rating:  
• National Early Childhood Program Accreditation (NECPA)  
• AdvancED  
• American Montessori Society (AMS)  
With any of the above accreditations, if the program additionally meets the educational requirements of a 4 Star program in their respective YoungStar rating track, that program would be eligible for a 4 Star rating.  
If the program additionally meets the educational requirements of a 5 Star program in their respective YoungStar rating track, that program would be eligible for a 5 Star rating.
