

## Narrative of Monthly Report

### December 2012

For the month of December, the following are notable YoungStar statistics.

#### ★ Participation

We currently have 4,841 programs participating in YoungStar. This is a drop of 38 programs from November. This is consistent with a drop in regulated programs. Given the fact that a large majority of regulated programs are participating in YoungStar, any drop in regulated care will be reflected in the YoungStar participation rates as well.

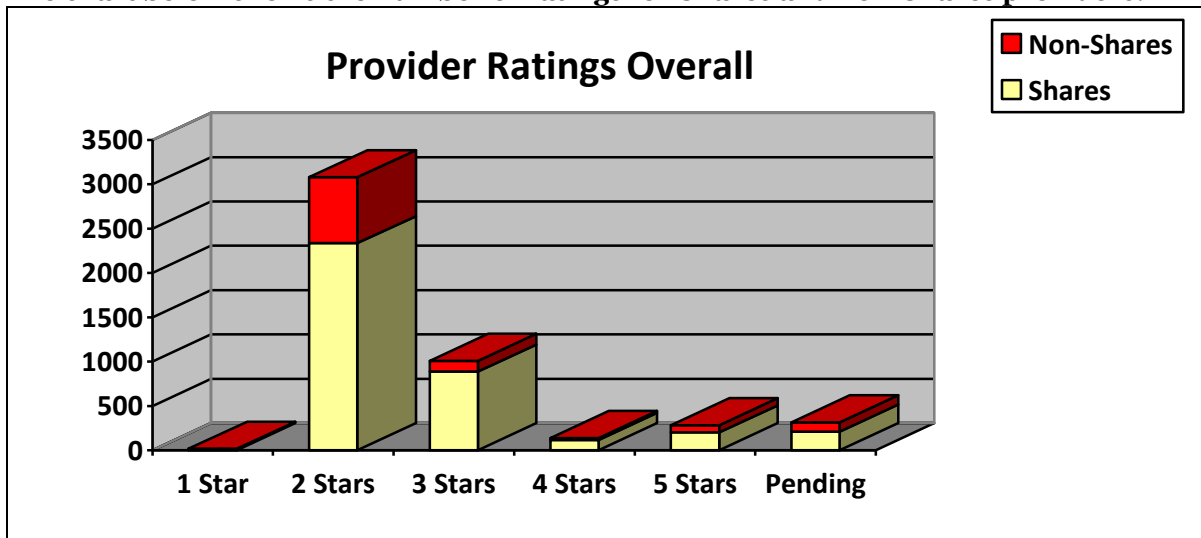

#### ★ Technical Consultation and Technical Rating Visits

In December, YoungStar staff made 995 individual technical consultation visits to 225 programs. This brings the total for technical consultation visits to 13,964 visits to 3,872 programs. For December, 287 technical rating visits were completed with 154 programs. The total number of technical rating visits is 3,804 visits to 2,346 programs.

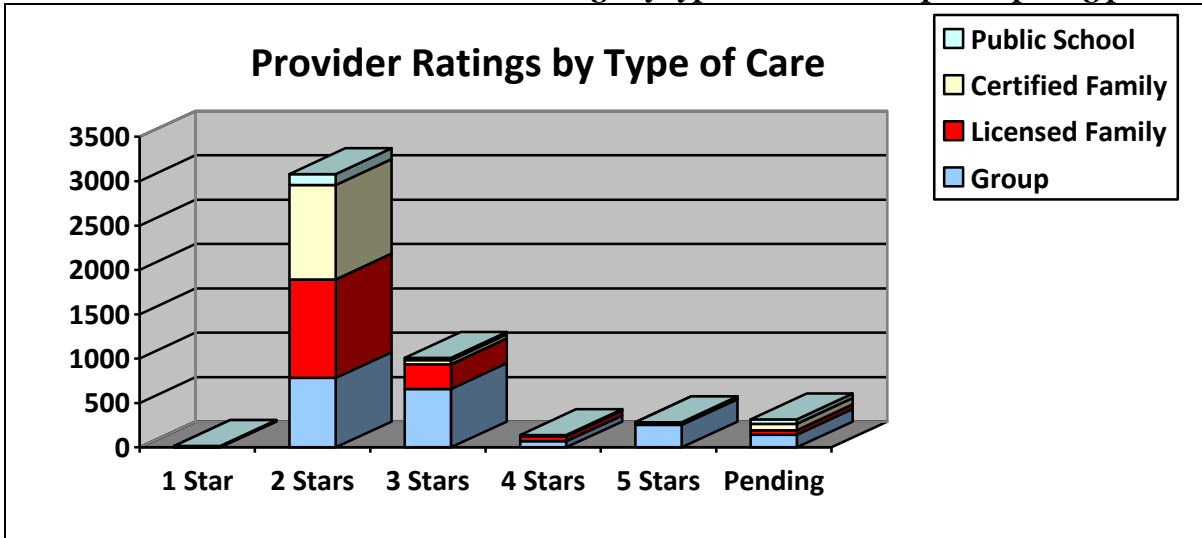

#### ★ Ratings

In December, 87 programs were rated for the first time, bringing the total rated to date to 4,526. Of those, 3,540 had an open Wisconsin Shares authorization when the data was run for this report.
