

**Credit for Prior Learning  
Student Participation: Fall 2014**

College	CPL Options	Enrollment	Person Reporting
Blackhawk Technical College	<p><b>Online as an Independent Study course.</b> Students complete the CPL course in 8 weeks. Students may be approved to receive up to 12 credits of Advanced Standing, plus the 3 credit CPL course for a total of 15 credits received.</p>	<p>11 Students for Fall 2013 completed the course. All 11 earned the 3 credit CPL credit and are working on the other courses. Most of them are going for 12 additional credits. As of today, 30 credits have been awarded beyond the CPL course.</p>	<p>Michelle Riley 1/24/14</p>
Chippewa Valley Technical College	<p><b>Individualized.</b> Do not offer the actual course. Done via face to face meetings and a <b>case-by-case review</b>. Students can receive 3 to 12 credits based on experience and competencies demonstrated by portfolio. Application to degree program required. College looking to design and run their own CPL course.</p>	<p>1 student who will get credit for prior learning for two courses for fall 2013. 1 student completed two three-credit classes as credit for prior learning, but will not get the credit on her transcripts until Spring 2014. Have received several inquiries for course. Have given out the portfolio information to three people to date.</p>	<p>Julia Lorenz 1/21/14</p>
Fox Valley Technical College	<p><b>Hybrid course</b> – includes scheduled in-person time and required online instruction (50% of class instruction is online). Students receive 3 credits for the CPL course and the opportunity for additional credits awarded through portfolio work.</p>	<p>Class offered for Fall 13 but did not run due to low enrollment. The class is offered next semester and any students inquiring about the course have been encouraged to enroll.</p>	<p>Kathy Meetz 1/21/14</p>
Gateway Technical College	<p><b>Class has not been offered yet.</b> The advanced standing test out for Health Safety and Nutrition is no longer available. We are in the process of revising and updating. Anyone with a CDA in infant &amp; toddlers will receive 3 credits for 307-192 Practicum 2 and anyone with a CDA in Preschool will receive 3 credits for 307-197 Practicum 3.</p>	<p>There were no students registered for Fall 2013. The course was not offered.</p>	<p>Brenda Pirnstill 1/21/14</p>
Lakeshore Technical College	<p><b>The class was not held in 2013</b> due to lack of enrollment. CPL is part of the on-going program discussion and may be offered in 2014-15 school year. In the past CPL was offered through portfolio graded process can receive up to 9 additional credits after enrollment. Advanced Standing for Practicum 1 &amp; 2 may be awarded for</p>	<p>None at this time. Course was not offered in Fall 2013.</p>	<p>Brenda Lodes 1/21/14</p>

	<p>individuals with 2 years of experience. While earning 3 credit for the CPL class, students will also be able to work toward "Indep Study" portfolio documentation to demonstrate competencies for 1) Health, Safety, Nutrition, 2) Infant/Toddler Development, and/or 3) Foundations of ECE. Therefore a total of 12 credits may be earned. Full paid registration for the 3 additional courses mentioned is required and will show as completed on official transcripts.</p>		
Madison College	<p><b>Hybrid course offering.</b> Students can earn up to 9 additional credits for total of up to 12 credits earned through test outs, assignments and portfolio review process. Students must have 3 years of full time or 5 years of part time work experience in the child care field to enroll in this course.</p>	<p>20 students have completed so far. Course will be offered Spring 2014. Currently have about 10 students who have indicated that they plan to enroll in the Spring. Was not offered in Fall 2013.</p>	<p>Karen Natoli 1/21/14</p>
Mid-State Technical College	<p><b>Hybrid-</b> some face to face and some via blackboard. The class is offered in the evening to meet the needs of the working student. The class is offered on different campuses (Wisconsin Rapids last year and Stevens Point this year)</p>	<p>3 students completed in Fall 2013 (also 1 dropped and 1 incomplete and should complete by Feb 11, 2014).</p> <p>8 Students completed CPL in fall 2012. 13 students have completed the class with 22 portfolios completed by the end of Fall 2013.</p>	<p>April Hartjes 1/21/14</p>
Milwaukee Area Technical College	<p><b>Offered in blended format.</b> Students receive Current offering is including UP to 12 credits; 3 credits for course, and additionally can receive advanced standing for practicum 2 and 3 through completion of portfolio and 2 years experience. Advanced standing for CHILDD 167 and/or CHILDD 178 for maximum of 9 advanced standing credits. CHILDD178 is a video portfolio and CHILDD167 is a test out.</p> <p>Currently in the process of revising CPL.</p>	<p>Fall 2013; 7 students completed both CHILDD 192 and CHILDD 197 2 completed CHILDD 197 only ( that is all they needed) 1 completed CHILDD 192 only ( that is all they needed) 2 of the students completed CHILDD 178 ( that is all they needed) 1 completed CHILDD 167 ( that is all they needed). Also have 2 students who have taken a incomplete due to medical reasons. Fall 2012 – 86 students completed; 30 of these</p>	<p>Sandy Laughrin 1/26/14</p>

		Spanish or Hmong first language speakers. Spring 2013 – 90 students enrolled Summer 2013 – offered 1 section in a condensed 2-week intensive format. Fall	
Moraine Park Technical College	<b>Individualized, case-by-case review:</b> students can receive 6 to 9 credits based on experience and competencies. Only do CPL for advanced standing.	Did not offer the CPL course in Fall 2013. Plan on offering the CPL course beginning Fall of 2014 .35 students awarded in 2012.	Kim Spartz 1/21/14
Nicolet Area Technical College	<b>Individualized, case-by-case review</b> Provide hours worked and portfolio of artifacts related to CPL course.	Have had around 5 inquiries but still no one choosing to complete the process at this point.	Diana Rickert 1/24/14
Northcentral Technical College	<b>Individualized, case-by-case review. Actual Course not offered.</b> Provide hours worked and Portfolio	Received 2 inquires about CPL this Fall 2013. These inquiries have not followed up. Class not offered in Fall 2013.	Sandy Suprak 1/21/14
Northeast Wisconsin Technical College	<b>Online Course.</b> Students receive 3 credits for the CPL course. Throughout the course, learners will examine what it means to be a college student, examine their own personal care giving style, and then learn about ways of applying their prior learning to earn Advanced Standing, Test Outs, and other methods of learning the fast track way at NWTC.	8 students completed CPL in Fall 2013. The range was from 0-30 credits earned with an average of 15 credits. Many of these credits don't count unless they are accepted into the ECE program. 4 students completed in Spring 2013 and 2 students in Summer 2013.	Stacey Felton 1/27/14
Southwest Wisconsin Technical College	<b>Class has not been offered yet</b> and were not given permission by college to complete the curriculum. Do grant advanced standing for classes on a case by case basis.	None at this time. No inquiries have been received to date.	Beth Whitish 1/21/14
Waukesha County Technical College	<b>Individualized, case-by-case review:</b> Practicum 1, Practicum 2 and Health, Safety & Nutrition: Students can obtain CPL credit by submitting a <b>portfolio proficiency</b> for evaluation. The maximum they can opt out of is 3 credits of Practicum. Minimum requirement to be eligible to complete the proficiency from Practicum are 2 years, full time lead teaching experience and the student must either have documentation of WMELS training or be willing to enroll in our 1 credit WMELS online course. In addition we will consider additional requests	In 2012, 6 Students received 6 credits Enormous Growth in Degree Program. Plan to offer the CPL course for the first time this summer 2014.	Kara Hoffman 1/24/14

	<p>for other courses based on the unique work and educational history of the individual- in those cases a portfolio is required that documents knowledge, skills and dispositions aligned with course competencies.</p> <p>College is also developing college-wide CPL processes that will have to align with. We have begun a CPL process for our Blended Options</p>		
Western Technical College	<p><b>Individualized case-by-case review</b> Evaluated on an individual basis and will use portfolios and standards/challenge questions</p>	<p>Fall 2013 had 1 student complete Credit for Prior Learning with a portfolio to document competencies for Practicum One for 3 credits. She did this independently as we did not offer the CPL course. 7 people have earned 3 credits each.</p>	<p>Tracy Craker 1/21/14</p>
Wisconsin Indianhead Technical College	<p><b>Individualized case-by-case review</b>, primarily through internal college-wide experiential learning portfolio process. We have received and honored requests for credit for prior learning in multiple ways, but do not offer the course, itself. We haven't had any requests for the specific CFPL course.</p>	<p>Approximately 12 Early Childhood Education students awarded credit for prior learning each year – fairly distributed between fall, spring and summer semesters.</p>	<p>Laura Wassenaar 11/7/13</p>
