

The Benefit Recovery Investigation Tracking System (BRITS) will be updated on May 21, 2026. These changes will be available for users on May 22, 2026. Here is what you need to know.

Job Access Loan (JAL) Applications

1. When a worker selects the JAL reason, the dropdown list for Transportation has been updated to include:
 - Car Insurance
 - Fines that prevent me from obtaining a Driver's License

Upon selecting these reasons, there should no longer be an error message that pops up for the worker.

The screenshot shows the 'Create JAL' form with the 'Loan Repayment Calculator' window open. The 'JAL Reason(s)' field is set to 'Transportation'. The 'Job Expense' dropdown menu is open, showing options: 'Car Insurance', 'Car Purchase', 'Car Repair', 'Driver's License Fee', 'Fines that prevent me from obtaining a Driver's License', and 'Other'. 'Car Insurance' and 'Fines that prevent me from obtaining a Driver's License' are highlighted with red boxes. A red arrow points to the 'Transportation' dropdown. The form also shows fields for 'Eligible Loan Amount' (\$600.00), 'Requested Loan Amount' (\$250.00), 'Repayment Period' (12), and 'Submitted Loan Amount' (\$0.00). There are also fields for 'Monthly In-Kind Hours', 'Total In-Kind Hours', 'Total In-Kind Amount', and 'Total In-Kind Repayment Percentage'. Buttons for 'Update' and 'Cancel' are at the bottom right.

2. Workers can select a JAL to be expedited when the JAL claim is sent for approval. Once the JAL claim has been identified as an expedited JAL claim, there will be an action item created in CWW to inform the approvers there is an expedited JAL.

The screenshot shows the 'Claim #3100010093' form. The 'Total In-Kind Repayment Percentage' is 17.40%. The 'In-Kind Site Name' is 'Job Center', 'In-Kind Site Address' is '1500 W. Wisconsin Ave Milwaukee, WI', and 'In-Kind Site Phone #' is '(414) 965-1020'. The 'Send for Approval' checkbox is checked, and the 'Expedite JAL' checkbox is also checked. The 'JAL Decision' field is empty.

In BRITS, the approver will see a new column labeled “Expedited” with a “Y” for yes. The expedited claim will also have an “i” icon in front of the claim and when the worker hovers over the icon, it will read “Expedited JAL”.
