

Contract Transition Reports

Purpose

The purpose of this desk aid is to assist W-2 Contract Agencies during the contract transition with reports use.

Additional Resources

Each of the reports below are located in Business Objects WEBI. The [Bureau of Analytics and Research page](#) offers resources on WEBI Introduction for Employment Programs, which includes a full [WISDOM Employment Programs Report Catalogue](#).

The [W-2 Message Center](#) stores [W-2 Report Notification Listserv](#) announcements regarding new reports and report modifications.

Reports

Monitoring Report 05: W-2 Participant Education Details

Location

Public Folders / DCF / WISDOM / Employment Programs / W-2 Monitoring / Application and Assessment

Use

This report assists W-2 agency staff in identifying expired or expiring Employability Plans (EP). This report includes EP Status, EP Begin Date, and EP End Date.

Notes

Use the report prompt to select the contract region. The tab entitled Currently Enrolled Participants, contains all W-2 participants in the W-2 contract region selected in the prompt who are currently enrolled in the W-2 program. For ease of use export the report tab to Excel and use the Filter function to sort EP End Date

Monitoring Report 03: Participants Without a Completed WWP Informal Assessment

Location

Public Folders / DCF / WISDOM / Employment Programs / W-2 Monitoring / Application and Assessment

Use

This report assists W-2 agency staff in identifying participants without a completed WWP informal assessment.

Notes

Use the report prompt to select the contract region. The report displays two tabs of information. The Monitoring Report 03 report has Informal Assessment start date and submit date information.

CL Report 01: W-2 Caseload Report

Location

Public Folders / DCF / WISDOM / Employment Programs / W-2 Case Management / Caseload Reports

Use

This report provides agency staff with a list of all placements. Additionally, the Eligibility Review Due Dates tab provides information about eligibility review due dates to assist workers in completing timely reviews.

Notes

Use the report prompt to select the month. Export the W-2 Participant Detail tab of the report to Excel. Use Excel Filter function to show only the placements you want to review. Then use the Filter Function to show only the W-2 Contract Region needed.

The Eligibility Review Due Dates tab is designed to be used only when the Report Month is the current month because it displays the eligibility review due dates as of the current month.

CMC Placement Detail Report

Location

Public Folders / DCF / WISDOM / Employment Programs / W-2 Monitoring / Placements

Use

This report details CMC placement and date placement should close. Placement is only for a certain amount of time. The agency needs to contact the participant as the CMC participant is approaching their end date to discuss employment and supportive service needs once the CMC placement ends. This ensures appropriate placement and benefits.

Notes

Select your contract region in the report prompt. The first tab, CMC Detail with Length Between 42 and 56 days identifies CMC cases that are approaching the end of their CMC placement.

Learnfare Caseload Report

Location

Public Folders / DCF / WISDOM / Employment Programs / W-2 Monitoring

Use

This report assists in Learnfare case reviews to ensure that the children in a case are enrolled timely.

Notes

Select your contract region and the report year-month. The Enrolled and Referred tabs will aid in identifying the cases to review.

Time Limits Report 01: Expiring Time Limits – 48 Month Transition Report

Location

Public Folders / DCF / WISDOM / Employment Programs / W-2 Monitoring / Application and Assessment

Use

This report aids agencies in adhering to policy and program rules related to 24/48 month extensions and subsequent extensions.

Notes

Select your agency region in the prompt. The Current Expiring and Raw Data tabs provide details about the cases and time used.

CAP Report 01b: W-2 Placements Closed by Batch Due to Lack of W-2 Eligibility

Location

Public Folders / DCF / WISDOM / Employment Programs / W-2 Financial Data / W-2 Capitated Payments

Use

This report identifies W-2 placements that closed by batch due to lack of eligibility for the month. Agencies should confirm that the closure was appropriate. Agencies are encouraged to reach out to participants on the report as a courtesy to notify them that their case closed. This way if they missed a paper notice regarding case closure, or there was other confusion, we can reduce the gap in the case being open and benefit issuance.

Notes

This report displays information one month behind. In November, you will complete the report prompt with October and will receive October closed cases. The report is updated on the 8th of the month.

CAP Report 01c: W-e Cases with Open Placements Episodes Pending for W-2 AG to be Closed

Location

Public Folders / DCF / WISDOM / Employment Programs / W-2 Financial Data / W-2 Capitated Payments

Use

This report aids workers with identifying cases that are pending for W-2 that will auto close at the end of the current month if no additional action is taken.

Notes

Select the report month and agency region. Know that this report updates with new data on Sunday. Use the Assistance Group (AG) Reason Code to review the case.

Participation Status Report

Location

Public Folders / DCF / WISDOM / Employment Programs / W-2 Monitoring / Application and Assessment

Use

The Participation Status Report provides a basic summary of the current participation statuses for PINs in WWP and provides information about participants who have a current participation status in order to identify participants who may have incomplete formal assessments, are in the process of applying for SSI or SSDI and the W-2 agency or another provider is providing related services, and/or are providing care to a dependent child or an adult W-2 group member with a disability or incapacitation.

Notes
