

BWF System Updates June 2026

There is a new report that will be generated to inform Wisconsin Works (W-2) agencies when Renew My Benefits (RMB) or Report My Change (RMC) submission is received from ACCESS, that needs to be processed by a Financial and Employment Planner (FEP). This report, W-2 RMB/RMC Report, is available as of Monday, June 1, 2026. Here is what you need to know.

WebI System Updates

W-2 RMB/RMC Report

Background

Due to ACCESS Modernization changes in October 2025, W-2 participants can renew their benefits in ACCESS as well as report any changes. Since a participant can be on multiple programs at a time, this report supports W-2 agencies in monitoring and tracking renewals and changes from ACCESS relevant to their program areas.

The daily report includes all W-2 RMC and RMB submitted through ACCESS during the report period, regardless of application processing status. The report will display cases that have the following two specific W-2 FEP action item codes to allow agencies to know what the assigned FEP needs to process.

- 229 – Change report processed – Ready for review
- 230 – W2 review received – Appointment not scheduled

How to access the report:

Public Folders -> DCF -> WISDOM -> Employment Programs -> CWW ACCESS Reports -> **W-2 RMB RMC Report.**
