Wisconsin Works (W-2) and Work Programs Reports Announcement

Wisconsin Works Contract Transition Report Desk Aid

The Bureau of Analytics and Research (BAR) has published a report desk aid. The desk aid assists W-2 agencies during the contract transition. The publication, DCF-P-6008 Contract Transition Report desk aid is found here at dcf.wisconsin.gov/publications.

Report Resources

The Bureau of Analytics and Research has updated the WISDOM Employment Programs Report Catalogue page to include report descriptions and potential use information. This page is found here at dcf.wisconsin.gov/employment-programs-report-catalogue.

Updated Reports

The Learnfare Caseload Report was recently updated. The Worker ID report element. This element previously displayed the original worker ID and now displays the current worker ID. This report is found in Webi in the W-2 Monitoring folder.
