

Wisconsin Works (W-2) and Work Programs Reports Announcement

Webi Upgrade and Downtime: October 23 – October 24

Schedule and Planned Outages

The Webi upgrade to Business Object BI2025 will take place on Saturday, October 24th. Webi will be unavailable beginning at 9AM on Friday, October 23rd through the end of day Sunday, October 25th. We expect that Webi users will have access to the upgraded environment on Monday, October 26th.

We strongly encourage you to run any reports needed for Friday, October 23rd on Thursday, October 22nd. If there are reports that need to be run on that Friday, please reach out to us at the email below so we can discuss options.

Changes to Expect

On Monday, October 26th we expect that you will notice some general look and feel changes to Webi, but no major feature or function changes.

Upgrade Contacts

If you have any questions or concerns about the upgrade, please contact the Bureau of Analytics and Research (BAR) at DCFDFESBARRequest@wisconsin.gov
